

NEWS FROM THE HUANGS

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house.

Matthew 5:14-15

I can summarize in one sentence the two verses above, "do not hide your light!" I believe this is one of the greatest dangers in my Christian life. Even after experiencing the transformation that only Jesus can bring to my life, where I recognized that I was in the depths of the darkness of a selfish life without God, and, graciously I was brought by God to His wonderful light! But, there is always the danger of entering in the church routine, where my contact with outside people is null. I should not hide my light! And I have many excuses that make me to continue to hide my light, in detriment of being with people that desperately need Jesus' light that is in me. I can't hide my light! I need to invest time with non-Christians. Especially now that we approach the end of the year, when people tend to be more sensitive because of the Christmas season, we need to take advantage of it and show the real reason for the season, "to shine on those living in darkness and in the shadow of death" (Luke 1:79). Don't hide your light!

Part of the Servant Team

We continue to celebrate the mission's 20th anniversary! God has been faithful in guiding, providing, and using us to mobilize churches, to train workers, to evangelize towns and cities, to make disciples of Jesus, and to plant churches. And God has given us new ministries, as well as many new workers! To Him all the glory!

Our main ministries: Vocational Retreat, Missionary training, Kids Camp, Missionary Project, Downtown Mission Space (in construction), Bible Institute, Missionary Conference, Servants Weekend, Evangelism and Discipleship Workshops in churches.

Missionary Conference – one of the highlights of the last months was the first missionary conference we held at our HQ, on November 18th. The theme was "Brazil needs to be evangelized". We were overwhelmed by God's grace, more people than we could house came, eager to learn, to pray and participate!

28th PromiServos – as an important part of our ministry, the missionary project we do every year trains a hundred plus workers, revitalizes churches and plants new churches. This coming January 2024 (17th-30th), we will go to Itapetinga, in the state of Bahia. Please pray for our coordination team, for the workers, local churches and their leaders, for divine encounters with non-believers, and for sponsorship, each participant needs to raise USD250.

CUES (Christian Unity Evangelical Seminary) – please pray for me as I coordinate the seminary, for God's wisdom and guidance. We just moved to a new facility and hired a new secretary, and are renewing our programs for 2024.

Road cemented at the HQ

Coming to visit California

We've been praying and talking with our sons for a long time regarding us going to CA, and with their help, we are planning to spend Christmas and New Year in CA! It has been over 5 years since last time we were in CA. God is good!

We plan to arrive on December 13th and stay for a month. We will be staying with friends in Orange County. We hope we can get in touch with you and renew our friendship and fellowship!

Please pray for the complement for our air tickets and a car for this period of time.

Dear friend, thank you for your prayers and support! May God continue to bless you as we celebrate the birth of our Lord, and that 2024 will be a year of new challenges that will bring us closer to God and to be light of the world.

Hsiung e Mônica

Monica teaches in three seminaries (on Christian psychotherapy counselling, evangelism and apologetics). And working in a new project on pastors and seminarians care in the future mission space in downtown area (under construction). She was recently accepted officially as a member of Studies' Laboratory of School of Psychology at Sao Paulo's University. May Jesus' light will be seen in her.

More pray requests:

- **Mission growth** - with new workers and new ministries, all our organization's structure is been reviewed, please pray for God's wisdom and guidance as we press forward to take Jesus' light to the world.
- **Construction in our HQ** - part of our growing pains is the need to build more housing for our workers. We need a building with a storage space and workshop, and two apartments on the top for families. Please pray! The estimate cost is USD35,000. For the Phase I, the foundation, USD12,00.
